Defendants.

DAVID J. MALAND, CLERK
BY
DEPUTY _____

MOTION TO DISMISS

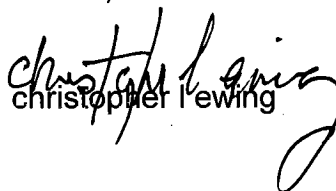

Motion to dismiss is hereby entered for insufficient process under Rule 12(b)(5) of the Federal Rules of Civil Procedure..

The process was abandoned and dropped at the door to a homeless woman by the attorney who is 1st counsel and principal to the matter. The prosecution can not abandon process at the door and consider the process made, especially in a case in which he is a principal in the matter. This is a violation of due process.

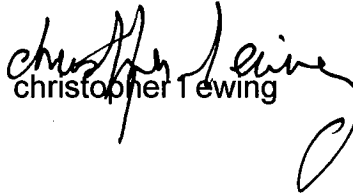

In addition, according to customary law and practice, a plaintiff only has one hundred twenty days to serve process after a lawsuit has been filed. That date was January 17th, 2014.

Therefore, this Motion to Dismiss is hereby timely entered for insufficient process under Rule 12(b)(5) of the Federal Rules of Civil Procedure..
